Working Time **60 hrs**

Phone handset via 3.5 mm jack

Single press button to expand the keyboard

Durable and Protective ABS plastic housing

Wireless Bluetooth™ keyboard

Ergonomic Bluetooth™ iPad Keyboard Stand

The Mirage is truly a cutting-edge innovative gadget for your iPad. Works basically as a Bluetooth™ keyboard, the Mirage doubles its functionality as a stand for the iPad, allows you a complete access to the tablet for ergonomic typing experience. Moreover, the specially designed device is equipped with a unique extendable keyboard system which collapses when not in use. An ultra-slim phone handset adds up to its rich features which also has its own holder to set the handset in place when Mirage is expanded. The Mirage is a complete accessory for the iPad, could work either as a protective case or as an ergonomic work station stand.
