## SGN2SP.M

Premium Matte Screen Protector for Samsung GALAXY Note II

## privMate.GN2

Premium Privacy Screen Protector for Samsung GALAXY Note II

SGN2SP.C is a clear screen protector that gives your Samsung Galaxy Note II long-term premium screen protection against dust, marks, smudges and scratches. The screen finish allows for superior touch-screen sensitivity and anti-glare features. Complete with cleaning cloth and installation card, the SGN2SP.C is simple to attach and easily removed, leaving no residue behind and without interfering with touch screen responsiveness.

SGN2SP.M is a matt screen protector that gives your Samsung Galaxy Note II long-term premium screen protection against dust, marks, smudges and scratches. The matt finish allows for superior touch-screen sensitivity and anti-glare features. Complete with cleaning cloth and installation card, the SGN2SP.M is simple to attach and easily removed, leaving no residue behind and without interfering with touch screen responsiveness.

privMate.GN2 is a screen protector that allows you to use your Samsung Galaxy Note II in complete privacy. Specially tinted plastic allows you and only you to see your screen, and tilting the phone even slightly renders the display invisible, perfect for stopping people from looking over your shoulder. The privMate.GN2 offers long-term premium screen protection against dust, marks, smudges and scratches and allows for superior touch-screen sensitivity and anti-glare features. Complete with cleaning cloth and installation card, the privMate.GN2 is simple to attach and easily removed, leaving no residue behind and without interfering with touch screen responsiveness.
