Unique grooved and foldable design allowing for multiple stand viewing options

Polycarbonate hard rear shell

Micro-fiber interior

Durable PU front cover

The iFold mini is truly unique designed case for all occasions. With a traditional hard casing back to protect your iPad mini from any knocks, scuffs and scratches, the iFold mini is a cover case which also comes with one of the most remarkable designs on the market. Specially grooved lines in the front cover allows you to manipulate its shape, giving you a whole range of viewing options when using the accessory as a stand. You can have horizontal, vertical and lateral viewing options for the iPad mini. In addition the iFold mini itself is cut away in key areas granting you full access to all your device features.
