

# Protective Stand Case and Stylus

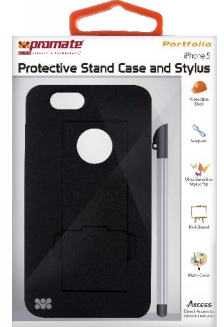

A case made to make the most of the iPhone 5, Portfolio isn't just protecting your smartphone, but gives more functionality to utilize its touch features. With a unique sandy finish texture, this protective case also has a kick-stand which allows portrait or landscape viewing on your iPhone 5. With in-built stylus, you are free to explore the touch functionality of your iPhone 5 even more conveniently. When not in use, simply slide the stylus inside the case's side slot. Portfolio is purely the most complete protective case which not only defends the iPhone 5 but increases the usage on your touch screen device.
