

Portable Mini Extendable Speaker for iPad, iPad 2, iPhone and iPod

The iRock.4 is a pocket-sized mini speaker that delivers an impressive 3W of power. This speaker is specifically designed for the iPad, iPad 2, iPhone and iPod, but it can also be used in conjunction with any audio device that houses a 3.5mm audio jack port.

The mini speaker of the iRock.4 provides outstanding sound clarity. This can be further enhanced by pressing lightly on the top of the unit and extending the speaker in order to increase bass tones in your music.

The powerful mini speaker is powered by a rechargeable lithium-ion battery that offers hours of playback time. Recharging is simple and quick; attach the supplied USB cable to the iRock.4 and connect it to your laptop.
